Michael:

Many thanks for forwarding and providing the opportunity to review in draft.

Overall, a very well written and comprehensive report.

I did have a couple of comments for you to consider.

Please let me know if you did not successfully receive the R7 canister results for addition to the report.

Best regards and many thanks – Mike Davis

Cecilia, Candace, and Michael,

Thanks for your review. I'll wait to hear back from you on any feedback before we finalize, sign and send back to you.

-Michael
